CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

? Well-qualified teachers are the main strength of this institution, their research aptitude enunciate the quality in the pedagogy. ? The expertise of faculties in innovative teaching-learning pedagogy evoke responsive curriculum. They are keeping abreast of the changing academic scenario. The faculty provides students a platform to explore independently, learn through self-study and from their peers, guides them to develop effective and lifelong skills. ? Student-teacher ratio is optimally maintained to facilitate student centric learning environment, which gives further scope for or provides participative and experimental learning. ? Clearly confined Master Timetable and department-wise time tables are prepared separately. The hour distribution for individual course ensures effective curriculum delivery within stipulated time of each semester. ? ICT enabled/smart classrooms are available in various departments. Faculty members are adopting innovative ICT facilitated teaching techniques. The ICT enabled curricular transaction at all levels helps to equip students to face the challenges posed by all learning parameters. ? Co-curricular/Extra-curricular activities are organized to focus on the socio-cultural issues by various clubs in the college. ? Additional morning and evening classes are arranged to supplement regular class hours, whenever necessary. ? The college is functioning as a local chapter of NPTEL and its courses are being utilized by faculty and students are alike. The college is also recognized as a nodal centre for the distance learning programme (DLP) by the Indian Institute of Remote Sensing (IIRS), Dehradun. ? A system of continuous evaluation is in place to monitor the progress of the students. The internal mark compilation and uploading the same to University is done by the respective tutors. During this process, slow and advanced learners have been identified by the tutors based on their participation in the classroom discussion, seminars, and debate. ? Learner centric techniques such as assignments, peer learning, group discussion, brainstorming, use of video lectures, case studies, projects, quiz etc., are adopted in the delivery of the academic courses. ? Tutors regularly meets students and obtain their feedback/suggestion on the teaching-learning process. Based on this, teachers modify the content delivery for the overall development of students and to achieve the programme outcomes. ? Discussions with experts from industry, academia and alumni on curriculum have been carried out regularly. The feedback obtained from industry and alumni is given due importance and the same is forwarded to concerned board of studies for

considering while re-structuring the curriculum.

Tutorial System: Class tutors are entrusted with regular monitoring of the academic and overall wellbeing of their wards. Tutorial sessions were planned in such a way that the relationship among tutor and students is strengthened so that it provides an overall healthy environment. Tutorial sessions are encouraged and tutors are treated as the local guardians of their wards. Walk with scholar: A mentoring scheme under the New Initiatives in Higher Education, Department of Higher Education, and Government of Kerala. It has been introduced in Arts, Science and Commerce Colleges to give necessary orientation to prepare them for employment and to render necessary guidance to select areas for higher study. Walk With a Scholar (WWS) scheme focuses to arrange specialized mentoring programs for students to provide guidance for their future. The scheme introduces the idea of mentoring and builds on the concept of mentor as a 'Guide' and 'Friend'. The mentoring scheme for students is purely voluntary in nature. It will be open for all students entering the first year of the Under Graduate Programme of Study on merit basis. The Scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them necessary guidance, motivation and mental support to identify appropriate areas for higher study as well as employment. At MES Ponnani College mentoring sessions were planned to identify the opportunities available for the mentees, the areas suitable for them, the manner in which the scholar should proceed before them and evolve ways by which they can be acquired. The College Council identified a College level Coordinator for the WWS Scheme from the faculty of the college. The College Council acted as a Monitoring Committee for the implementation of the Programme and the Coordinator functions in consultation with the Principal and the College Council. Students (Scholars) of first and second year Degree Programme were included in the Scheme. The first year students were given an induction Programme, for which a meeting of the first year UG students was convened at the college level and the scheme and objective was explained to them and Applications were invited from willing candidates. 30 Students were selected from first and second year as per their aptitude and enthusiasm. 10 internal mentors were selected among the faculties. 6 students were allotted to each internal mentor and they were given 10 hrs of internal mentoring sessions. Both the batches were given 50hrs of external mentoring covering vast areas including communicative English, civil service orientation, Group discussion and interview skills, career guidance and higher education opportunities counselling etc. Books worth Rs. 30,000 were distributed among the mentees. Second year Students were taken for a motivation visit to Hyderabad and mentees visited English and Foreign Language University, Hyderabad Central University, Osmania University. The WWS programme has taken upon bearing the future of such bright young minds. So many brilliant students lack direction and guidance, and end up doing menial works in fields that are so far beneath their caliber. This program has enlightened

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

? Principal as the Head of the institution, carry out the lead role in the overall functioning of the college. The Staff council helps and support him in all the day to day activities in a regular manner. Different committees and forums are constituted to further all the activities. Regular monitoring of the activities are done through Department level meetings, Clubs/Committee meetings. Meetings are also held with students' Union, PTA and other stake holders at regular intervals. Teachers are made the coordinators of various committees through an all staff meetings and the responsibilities are changed among the staff on a regular basis. ? The management has formed an academic committee to monitor the activities being carried out at their end towards strengthening the academic base of the institution. This committee holds meetings and evaluates the situation and also interacts with teachers for their suggestions and feedback. ? The whole reaccreditation process is being taken ahead by the concept of decentralized sharing of duties and responsibilities. Various core teams are made for data collection, compilation, and presentation of the datasets as required by the nodal agency. The same practice is followed in the case of NIRF related activities as well.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Examination and Evaluation	<ul style="list-style-type: none"> As an affiliated institution, the College follows the examination pattern and schedule implemented by the University of Calicut. IQAC makes it

sure that general academic calendar of the University of Calicut is followed in such a way that the internal examinations of the respective semesters are held in time. • The college has separate committees to conduct internal and the university examinations. • Class Tests and oral tests and internal examinations are held regularly in all subjects. Group discussions are also adopted. • Model tests on practical are also held in labbased subjects • Special sessions are held after grades submission of internal examinations to identify and analyse the strength and weaknesses of the students. Class level PTA meetings are conducted and corrective measures are taken thereafter. • The internal examination committee conducts two examinations in each semester. • The internal scores will be countersigned by Head of the Department and will be published in department notice board. • Grievances, if any, will be redressed either at the department level or at the Grievance redressal committee level. • IQAC is entrusted to oversee all the processes related to University as well as internal examinations and continuous evaluations. In order to sustain quality of teaching, management has made it sure that meritorious candidates with good academic and research records are appointed at Assistant Professor Level.

Research and Development

• This year is marked by the award of PhD degree to two research scholars of the Department of Geology. • The College has a Research Promotion Council (RPC) with members consisting of faculty members who are recognized research guides of the University of Calicut • PG and research students are encouraged to participate in the meetings and present papers and also to express their views. • RPC provides regular updates to faculty members on the available funding opportunities from time to time and encourage them to seek research grants from various funding agencies. • Faculty members are given all support to pursue research degree and PostDoctoral works • Teachers are also granted duty leave for participation and / or paper presentation in seminars/ workshops.

Library, ICT and Physical
Infrastructure / Instrumentation

- The college library facilitates book transactions through fully computerized, barcode enabled circulation system.
- New books, journals and e resources are added in the library based on the suggestions of the Library Advisory Committee.
- Provided access to ejournals, ebooks through INFLIBNET
- The laboratories are upgraded with new equipment as per the requirements.
- Every department is provided with adequate number of computers, Laptops, printer cum scanners, LCD projectors and supports ICT enabled learning.
- All the departments have internet connectivity
- Website upkeep committee is entrusted with keeping website up to date.
- Construction of new building is underway to accommodate more classroom

Human Resource Management

? Human Resource Management:

- A decentralized and participatory administration mechanism involving teaching and nonteaching staff is introduced for efficient human resource management.
- In addition to teaching and research, the faculty members are assigned with the responsibility to coordinate the activities of one or more cocurricular and extracurricular clubs and forums, which helps in the integral growth of students.
- Faculty and staff recruitments are done as per UGC and University guidelines under an open system process through advertisements published in leading newspapers inviting applications from qualified candidates.
- The management of the institute recruits staff in two modes:
 - i. Since the institute enjoys the privilege of Minority Society status, 50 of the total vacancies are usually reserved for Muslim candidates
 - ii. In the remaining 50 seats, the institute follows Equal Employment Opportunity Policy, where all the potential candidates are treated equally irrespective with regard to race, religion, ethnic origin, age (as per norms), sex, sexual orientation, gender identity, gender expression, disability, or any other classification.
- Whenever there arises a vacancy, management of the institute recruit faculty and staff members on adhoc or contract basis to avoid the delay in the formalities of appointing regular faculty or staff.

Industry Interaction / Collaboration

• The institute holds strong academic as well as industrial linkage with national research centres such as Geological Survey of India (GSI), National Centre for Earth Science Studies (NCESS), Central Marine Fishery Research Institute (CMFRI), Central Institute of Fisheries Technology (CIFT), Centre for Water Resources Development and Management (CWRDM), Marine Products Export Development Authority (MPEDA), etc. • The academic linkages are effectively utilised to train students and also to carry out research works as well as dissertation work at such centres. • Various departments regularly conduct industrial visit sessions and invite experts from industry to present emerging trends and opportunities in the concerned industry

Admission of Students

• Admission process to various UG and PG programmes was through a single window arrangement of the affiliating University of Calicut, called Centralized Admission Process (CAP). This system offers facility for online submission of single application for admission to various degree programmes in multiple colleges affiliated to the University. • As a minority management institution, 20 of the seats are reserved for the community and 20 under management quota. In the remaining seats 40 is open under merit category and 20 reserved for SC and ST candidates. Apart from these, special allocations are given to differentlyabled candidates and students having proven achievements in sports and games. However, all the admission procedures are carried out strictly following the governmentregulated policies. • The College website, prospectus and handbook contain information about the institution and the programmes offered. The prospectus that highlights the details of various programmes of the College is prepared every year prior to the commencement of admissions. The prospectus also gives details of eligibility norms for admission • The use of ICT has facilitated the admission process and has reduced the amount of paperwork as well as the use of paper. • The Principal constitutes an admission committee to monitor the

admission procedure. The CAP system places certain restrictions on the part of the college in flexibility of student selection process. The College is also committed in serving the economically and socially marginalised sections of society and to this end, privileges them in the admission process under management quota.

Curriculum Development

- Syllabus revision workshops/feedback from all stake holders/OBE introduction
- Since college enjoys the status of an affiliated College of the University of Calicut, it has only limited scope to develop curriculum own its own. However, many faculty members of various departments are officiating either as Chairman and/or members of concerned board of studies in UG and PG level making the institutional representation in communicating the suggestions on curriculum development.
- The institute had developed the syllabi for various careeroriented Addon/certificate programmes sponsored by UGC and also for shortterm certificate programmes offered by the institution.

Teaching and Learning

- In order to sustain quality of teaching, management has made it sure that meritorious candidates with good academic and research records are appointed at Assistant Professor Level.
- General academic calendar and timetable were prepared under the strict monitoring of College Council and IQAC that ensures effective teaching hours for lecture classes and practical sessions.
- Concerned teachers record attendance on regular basis and transfer to the administrative section.
- Majority of the faculty members are handling lecture classes with the aid of ICT. Similarly, students are encouraged to present their seminars as PowerPoint presentation using multimedia techniques.
- IQAC takes regular feedback from students about teachinglearning processes and conducts meeting with faculty members for enhancement of the teaching techniques.
- To inculcate experiential learning, field sessions are conducted as integral part of several UG and PG programmes.
- Teachers also equip themselves by participating in

Refresher Courses and other Faculty Development Programmes. • Distinctive strategies are adopted to meet the academic requirements of slow, average, and advanced learners. The teachinglearning approach of the institute involves peerlearning, onetoone mentoring, teambased learning etc., which ensures overall development of the student.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Finance and Accounts	The financial transactions of the college related to the salary of the staff are all done online through the Govt. interface 'SPARK'. All documents related to the same are also submitted online.
Student Admission and Support	The students' admission is done through the University's Centralised Admission Process (CAP) system and it is furthered by the software by keeping all records related to admission in a systematic and retrievable way. The students support module, helps to integrate all details related to students including mentorship, remedial coaching, competitive exam, higher education, scholarships etc.
Examination	The records related to University examination are all handled through the University portal, online facility. The internal marks are also entered through this online facility as and when prescribed by the University for respective semesters.
Planning and Development	Just like any other Higher Education Institution, the College makes a detailed plan at the end of the ongoing academic year, to be executed during the coming year. The suggestions to this is invited from the stakeholders through electronic means including social media. The plan is prepared and presented by the IQAC. The campus technology software and its various modules are utilised in the planning process in order to streamline the whole activities of the college in a systematic way. The software helps to plan the academic calendar, session plan, work diary, and weekly workload. It also provides the option for online assignment.

Administration	For time table and attendance, another customized software, namely 'Total campus Solutions' is used. With this teachers are enabled to take attendance through their mobile phones classes are being shared and arranged by teachers when they are on leave. This helps in maintaining paperless communication in these processes.
